“Congratulations to all our stakeholders on this important milestone as we approach completion of our Business Combination. We look forward to closing the transaction and implementing our PDP-focused dividend yield acquisition platform. These prospective targets align with our investment criteria, including driving dividend growth,” said Will Ulrich, Co-Founder and Co-CEO of Presidio.

Jerry Silvey, Founder and CEO of EQV, added, “We are excited to reach this critical step in bringing Presidio to the public markets. Presidio’s proven track record of acquiring and optimizing producing oil and gas assets positions the company to return capital to shareholders at an attractive rate while executing its growth strategy.”

Every shareholder’s vote is important, regardless of the number of shares held. Accordingly, EQV requests that each shareholder complete, sign, date and return a proxy card (online or by mail) as soon as possible, which must be received no later than 11:59 p.m. Eastern Time on February 26, 2026, to ensure that the shareholder’s shares will be represented at the Extraordinary General Meeting.
